INTERGOVERNMENTAL REVIEW

CLEARINGHOUSE REPORT

AUGUST 1 - 15, 2004

SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS

INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT

This Intergovernmental Review Clearinghouse Report summarizes the federal grant applications, environmental documents and other information received by SCAG's Intergovernmental Review (IGR) Section during the period **August 01 through August 15, 2004**. The Clearinghouse Report consists of two sections, Federal Grant Listing and Environmental Documentation Listing.

The Federal Grant Listing is provided to inform your organization of all grant applications for federal assistance from our region in accordance with Executive Order 12372. The listing includes state sponsored plans and project types such as Housing and Community Development, Urban Mass Transit, and Human Services. The Environmental Documentation Listing describes regionally significant and non-regionally significant facilities (e.g., transportation, wastewater treatment), residential, commercial and industrial projects which have been voluntarily submitted for review by local governments. Environmental documents received include Notices of Preparation, Environmental Impact Reports, Environmental Impact Statements, Negative Declarations and Mitigated Negative Declarations.

A SCAG Project Identification Number organizes project descriptions for both the Federal Grant and Environmental Documentation listings.

IGR CONTACT

To include the interest of your jurisdiction or comment on proposed comprehensive planning, areawide coordination or environmental impacts please contact the IGR Section prior to **August 31, 2004**. Please send one (1) copy of all environmental documentation. Also, please provide the name and telephone number of the contact person on your transmittal. We may be reached at:

Mailing Address:	Southern California Association of Governments Intergovernmental Review Section 818 West Seventh Street, 12 th Floor Los Angeles, CA 90017-3435
Telephone:	(213) 236-1800
Fax:	(213) 236-1962

Questions regarding the Clearinghouse Report should be directed to Laverne Jones, (213) 236-1857.

ANNOUNCEMENT

The **Intergovernmental Review Year 2003 Activity Report** is now available at www.scag.ca.gov/igr or you may request a hard copy of the Report. The **Intergovernmental Review Year 2003 Activity Report** provides an accounting of project activity and new construction/development activity based on documentation received by the Southern California Association of Governments (SCAG) Intergovernmental Review Section from state, local and non-profit agencies throughout the six county region. For more information, contact Jeffrey Smith, AICP at (213) 236-1867.

The Rail-Volution Conference will be held in Los Angeles on September 18-22, 2004 at the Renaissance Hollywood Hotel. For more information, visit www.railvolution.com.

Project Title: Melrose Triangle
Reg. Significance: No
Lead Agency: City of West Hollywood
City/County/Subregion: West Hollywood/Los Angeles/Westside
Contact: C. J. Amstrup - (949) 443-6327
Comment Due Date: 9/3/2004

Project Description: The Melrose Triangle project includes approximately 70,850 square feet of retail floor area designated for art galleries, general retail, design showroom, and cafe/restaurant use units. These commercial uses would be located along Melrose Avenue and Santa Monica Boulevard at the project's street level. The second through fifth floors are designated for 191 residential apartments, including 124 one-bedroom and loft units and 67 two-bedroom units. The project also features 327,000 square feet of climate-controlled underground storage space for wine and art.

The project site is a triangular parcel located on the south side of Santa Monica Boulevard, the north side of Melrose Avenue, and the west side of Almont Drive, adjacent to the City of Beverly Hills. The project addresses are 9040-9098 Santa Monica Boulevard, 603-629 Almont Drive, and 90001-9021 Melrose Avenue. The site totals 3.05 acres and is currently fully developed with office buildings, industrial uses, a parking structure, and retail uses.

Project Title: Symantec Office Development 800-900 Corporate Pointe
Reg. Significance: Yes
Lead Agency: City of Culver City Redevelopment Agency
City/County/Subregion: Culver City/Los Angeles/Westside
Contact: Gerald Ichien - (310) 253-5766
Comment Due Date: 9/17/2004

Project Description: The Project Applicant, Symantec, Inc., proposes to construct 550,000 square feet of research and development (R&D) and office floor area. In addition, the proposed project would include a five-level parking structure with two subterranean levels, three structured levels and parking on the roof. The proposed project would permit Symantec to consolidate and expand their southern California operations in Culver City. In addition, the project would fulfill the vision of the CCRA to complete one of the last two remaining portions of the Corporate Pointe Development with a use and building that are compatible with the existing Corporate Point office buildings.

The approximately nine-acre project site is located on the south side of Slauson Avenue bounded by Bristol parkway, State Route 90 (Marina Freeway) and Hannum Avenue.

Reg. Significance:	No
Lead Agency:	City of Rancho Mirage
City/County/Subregion:	Rancho Mirage/Riverside/Coachella Valley
Contact:	Randal Bynder, AICP - (760) 328-2266
Comment Due Date:	9/7/2004

Project Description:

The proposed project consists of a comprehensive update to the City of Rancho Mirage General Plan. This update involves a revision to the land use and zoning maps and a revision to elements required by the State of California as well as optional elements. The update broadly includes the consolidation of several existing elements into new elements, the modification of relevant background information, the development of new goals and policies, and a revisions to the City's economic goals reflected in land use changes.

The City of Rancho Mirage is located in the Coachella Valley within Riverside County. The incorporated areas of Rancho Mirage could be generally described as bounded by Monterey Avenue to the east; Da Vall Drive and Plumley Road to the west; the Santa Rosa Mountains to the south; and Ramon Road and the Interstate-10 (I-10) to the north.

Project Description: The County of Los Angeles proposes to construct and operate a new gymnasium and community center building at Loma Alta County Park located at 3330 North Lincoln Avenue in an unincorporated area of Los Angeles County. The proposed project consists of renovating and improving the northern portion of the existing 16.5-acre Loma Alta County Park. The project includes the demolition of the existing recreation building, and asphalt basketball courts and light standards, and construction of an approximately 13,500-square foot new gymnasium and community center facility, associated surface parking and site improvements, including security lighting, landscaping and irrigation and walkways.

Comment Due Date: **9/11/2004**

Project Description: The proposed project includes:

- A 320-acre Specific Plan that proposes 249 hillside residential units, 197 acres of open space, an offsite adjacent 2.6-acre neighborhood park and possibly an additional 20 acres of adjacent open space.
- Annexation of the Specific Plan area and 20 acres of adjacent open space property into the City of Corona within the City's existing Sphere of Influence. The property is currently within the County of Riverside.
- A General Plan Amendment to include the Specific Plan area and to modify land use designation boundaries consistent with the Specific Plan.
- A Tentative Tract Map 32023, to include all of the specific plan area to accommodate the creation of 249 single-family residential lots.

Project Title: FEIR Rocky Point Pump Station Replacement Project (Contract No. 5-50)
Reg. Significance: No
Lead Agency: Orange County Sanitation District
City/County/Subregion: Newport Beach/Orange/Orange County
Contact: Jim Herberg - (714) 962-2411
Comment Due Date:

Project Description: The Orange County Sanitation District (OCSD or District) is the lead agency under the California Environmental Quality Act (CEQA) for an Environmental Impact Report (EIR) for the Replacement of the Rocky Point Pump Station (Project) in the City of Newport Beach, California.

The District is proposing to replace the existing station with a new station to reduce the potential for future sewage spills by reconfiguration of its pump station system to increase capacity and meet the latest federal and state codes (e.g. seismic and electrical), including the District standards for worker safety, spill prevention, and overall operation and maintenance of its pump station facilities.

The project is located at 1700 through 2000 W. Coast Highway and 1575 West Coast Highway, Newport Beach, California.

Project Title: Fontana Auto Mall Overlay District
Reg. Significance: No
Lead Agency: City of Fontana
City/County/Subregion: Fontana/San Bernardino/San Bernardino
Contact: Kevin Ryan - (909) 350-6655
Comment Due Date: 9/12/2004

Project Description: The Fontana Auto Mall Overlay District consists of approximately 154 acres consists of four (4) planning areas. Planning Area 1 is intended for primarily for automobile retail sales, service and related uses. Planning Area 2 are reserved primarily for gas

stations, restaurants, and other auto-related uses in support of the auto mall dealerships. Planning Areas 3 and 4 allow for a variety of uses that are complimentary to, and compatible with new vehicle dealerships. The project is located generally, west of Mango Avenue, East of Citrus Avenue, south of the I-210 Freeway and on both the north and south side of S. Highland Avenue in the City of Fontana.

Project Title: Gene Autry Trail Widening Project
Reg. Significance: No
Lead Agency: City of Palm Springs
City/County/Subregion: Palm Springs/Riverside/Coachella Valley
Contact: Marcus Fuller, P.E. - (760) 323-8245
Comment Due Date: 9/13/2004

Project Description:

The proposed project will widen existing Gene Autry Trail from two to six lanes between Vista Chino and via Escuela. The project will also widen Gene Autry Trail from two to four lanes between Via Escuela and the Union Pacific Railroad (UPRR) crossing through the Whitewater River Wash. The widened roadway would have an 80-foot cross-section in the six-lane segment, and a 64-foot cross-section in the four-lane segment. All travel lanes will be 12 feet wide and the roadway will provide two 8-foot wide shoulders usable by bicycles. The project will include the installation of a new traffic signal at intersection of Gene Autry Trail and Via Escuela.

Project Title: Temecula General Plan Update
Reg. Significance: No
Lead Agency: Cotton Bridges Associates, Inc.
City/County/Subregion: Temecula/Riverside/Western Riverside
Contact: Jeff Henderson - (626) 304-0102
Comment Due Date: N/A

Project Description: In 2001, the City of Temecula began a comprehensive update program for the General Plan. The updated General Plan addresses the seven State mandated general plan elements (land use, housing, circulation, safety, open space, conservation, and noise), as well as other issues that are important to the community, including growth management, economic development, air quality, and community design. The Housing Element was recently updated in 2002, and thus is not being comprehensively updated as part of this program.

Project Title: Community School No. 1
Reg. Significance: No
Lead Agency: Orange County Department of Education
City/County/Subregion: Fountain Valley/Orange/Orange County
Contact: Andrea De La Cerda - (714) 966-4325
Comment Due Date: 9/10/2004

Project Description: The Orange County Department (OCDE) proposes a new community high school campus with 5 buildings totaling approximately 45,200 square feet. The 6.9-acre project site is located at 15872 Harbor Boulevard in the City of Fountain Valley in Orange County. Turf areas, game courts, and a garden area will be located in the southern half of the campus. Two driveway connections will provide access to a 66 stall parking area along the site's northerly boundary along Harbor Boulevard. A student drop off area will be provided along an internal access road. The proposed project site is located within the northernmost portion of the City of Fountain Valley.
